## IN THIS ISSUE

### UNIQUE OPPORTUNITY

#### UNIQUE OPPORTUNITY

We have a very unique opportunity. Andrew Collins, author of the book "Beneath the Pyramids", published by A.R.E. (Edgar Cayce's Association) has invited us to join him in a session he will be holding on November 28, 2009. This is a remote viewing session to try to gather more information in his search for the Hall of Records and the Emerald Tablets that Edgar Cayce prophesied.

What he would like all of us to do at the same time, is "tune in", and send healing energy. Also to write down any thoughts that may come regarding the finding of the Emerald Tablets.

### MOTHER EARTH'S CORE

My idea is to create a C&L group called "Emerald Tablet Group", which would include:

Zahi Hawass, Egyptian Director of Antiquities.

Any person or group associated in any way with the Giza Plateau.

The entire Giza Plateau, including the Pyramids and everything overhead and underground.

The Emerald Tablets.

### NEW PROJECT IDEAS

The time, our time, would be approximately 2:00 p.m. on Saturday November 28, 2009. (He lives in England so his time is 8 hours ahead of ours.) If at that time we could all do a C&L Healing on the "Emerald Tablet Group", and then sit silently for a few moments, thinking of the Pyramids and what may lie beneath them, jotting down anything that comes into mind, that would be great.

I wanted to give you a little advance warning. If you feel you might not be able to do it at the appointed time, then I would say that you do it when it is convenient and "set the intention" that it is to happen at the appointed time. You all know the facts about "intention" and "time" so this is altogether possible. That way most of us would have a chance to participate.

### PROJECT

Evidently, Zahi Hawass, the Director of Antiquities in Egypt is pretty much blocking anyone from further exploration at this time. This is why I've included him in the group. So I feel this healing would help on several fronts.

# HOT SPOTS

Difference  
Made  
8%

I have been getting more and more messages about how important these Tablets are to the future of humanity. These tablets won't be found until a certain percentage of humanity is at a certain level of consciousness. This is what is in our power and what we can do for ourselves, our children, and all future generations.

I feel very honored that Andrew asked us to join him in this session. I'll keep you updated and send an e-mail on the final details.

## **PLANET EARTH'S CORE**

I have received a communication from the guides to "Heal the core of the Planet". I was shown the Planet as a globe, and as I watched a brilliant beam shown down on Mother Earth, right into her very core which lit up with brilliant white light. Then I heard, " Heal the core of the Planet, cleanse, purify and change the vibration". So I would ask all of you to add "Mother Earth's Core" to your Country and Location list if you would.

## **NEW PROJECT**

I have been receiving e-mails with all your suggestions for a new project. I have set the deadline for Sunday November 22 as the deadline to receive all suggestions and ideas. If you haven't sent me yours yet, be sure and do so by then.

You've all been great and I want to take this opportunity to thank you for all you do!!
