****ALERT - IRAN**

TEN PROTESTERS were killed by Iranian police quashing street riots over the disputed presidential election results, the country's state TV channel said today.

A hundred more who accuse President Mahmoud Ahmadinejad of rigging the results were wounded in the violent clashes in Tehran, according to officials.

State media reports branded those who died as "terrorists" and accused "rioters" of setting two petrol stations and a mosque ablaze.

MARGARET'S NOTES

As I sat watching the news about Iran this weekend on TV, my mind flashed back to all the things that have transpired over the last year. A year ago I wouldn't have watched this situation unfolding on TV. I admit, I would have felt very far removed. After all it is thousands of miles away, very unpleasant in nature, and I would have felt it was not affecting me directly. Some of these thoughts would have probably been at an unconscious level.

Now I feel involved, and energized to take action. I realize more than ever, how "we are all one," really affects every aspect of our lives and who we are. Although all the people I was watching spoke a language I didn't understand, their religion may have been foreign to me, their clothes and habits different, somehow I felt connected to them.

I was working on printing and assembling the Guide Books for the next DPH Class, on Saturday, June 27. As I worked, and watched TV, I realized at a very deep level, how much impact this healing will have and how blessed we are to have it.

I want to take this opportunity to thank each and every one of you for all you are doing! Whatever you put out returns to you multiplied and I hope it returns to you a thousand fold.

12:00 to 5:00 p.m.

GUIDEBOOK INFORMATION

There has been some additional information added to the new Guide Books, which will be used for the DPH Class on June 27, 2009. This has been added mainly to help clarify the healing steps, and add the new information regarding multiple "Groups and Organizations" lists and multiple "Countries and Locations" lists.

I also felt there was more clarification needed on how to decide which of the above healings you are to use. There have been some questions regarding this subject.

I will see that everyone receives these additional pages to add to their Guide Book.
