9/11

The date of 9/11, which marked the anniversary of the terrible attack on the World Trade Center, gives us all pause to think. As I watched the news, suddenly I thought of all the Imprints, souls and Mother Earth's pain that must be in just that one area. I thought how wonderful it would be if we could add this location to our C&L lists. Just think of what we can accomplish by this one small act. What a fantastic way to commemorate this anniversary!!

HIV

"HIV: The enzyme Tre depletes HIV in the human genome in three months in lab conditions."

An Indian Dr. has done very promising research on the HIV Virus. Phyllis Martin who contributed this article suggested that we add "all medical researchers in the world" and "all people suffering from HIV."

I have even more to add - this would be added to the G&O List:

All medical researchers
All people suffering from HIV
The AMA
The FDA
All Insurance Companies

I would say that would cover it nicely. Thanks so much to Phyllis for contributing this article and idea.

Q&A

Q: "To add more things to our lists, can we include other's lists? In other words enter on our G&O List, "Margaret's G&O List"?"

A: No you can't do this unless you are aware of what is on that list. In other words you need to be consciously aware of what is on that list in order to add it to your own.

PYRAMIDS AT GIZA

In a previous Newsletter I asked that you include the Pyramids at Giza on your C&L List. Following is the story and why I asked you to do this.

Each month there is a "Circle" held by Anne Reith Ph.D. in Fullerton. She teaches many metaphysical classes AnneReith.com and is a DPH healer. During the Circle held on September 1, 2009, there were many things that came up about the pyramids. I myself kept seeing a small golden key. It appeared as an old fashioned skeleton key. It just wouldn't leave my mind. After arriving home it was still there nudging me and I knew I was to channel.

This channeling was with the DPH Guides and is below.

CHANNELING AFTER CIRCLE

DPH Guides

Margaret McCormick
9/1/09

What happened tonight is merely a precursor of things to come. You see your group is very powerful. They may not realize they are powerful but they are. Together you make up a small collective consciousness of your own.

There is a key to unlock all of this. This key lies in the Pyramids themselves and in your cells. There are crystals in the pyramids that are programmed with the information to save and change your world. You know all this within your cell memories. It lies there waiting to be tapped.

It is knowledge that all of you knew in previous lifetimes. That is why it is in your cell memories. We cannot give you this information. It must come from your own memories - this is how it was meant to be. This is how you set it up. All of you did this of your own free will and we cannot go against this. You must tap these memories on your own.

You must remember who you are and why you are here. Why you came back at this special time. You already know much of this but there is one more very important factor that you need to bring forth.

This is why you saw the key. There is important information you need to unlock and bring forth. Doing healings on the Pyramids at Giza will begin the process.

ADDITIONAL

Note: On the morning of 9/3/09, I asked for the memory of anything regarding the pyramids, to come to me. Then I basically forgot about it. That afternoon things started coming almost like when I channel but yet different. What came through follows.

SECRET CRYSTALS

9/3/09

Margaret McCormick

We all sat in groups. Each group had a specific task to program sets of crystals. We programmed those crystals using our minds and downloaded the information into them. This way the information is hidden. It is not on paper or papyrus, or written on stone - it is IN stone. In this way only people knowing how to unlock these secrets in the stone will receive the information.

Only those people evolved enough and aware will in this way receive the information. This was our intent. Working diligently around the clock, this was our gift for future generations to come, and for us in another lifetime.

We vowed that we would awaken at the right time to unlock this key, to bring forth this knowledge for all future generations to benefit. This memory is imprinted in our cells - and is a cell memory that needs to be awakened. All these thousands of years this has remained hidden and it will be brought forth at the exact right time in Divine order.

Any who read this or write it are part of the original group who made this possible, and as this information is brought forth to you, there will be a feeling of recognition because somewhere in the depths of your being, you will know it is true.

These beautiful crystals are beneath the pyramid in a special chamber that has not been discovered yet. The reason they have not discovered it yet while looking into the depths of the pyramids with their tech devices, is that they see outlines of stones. They do not recognize this as being important or relevant. They expect to see papyrus and hieroglyphics. But this is not where the information is.

The world needs to be at a certain point of consciousness before the information is understood. It will all happen in Divine order when the time is right. So although we are helping to create peace we are raising the consciousness at the same time. The more the consciousness rises the closer we get to finding these crystals and understanding what is in them.
