TERROR PLOT FOCUS WAS 9/11 ANNIVERSARY

DENVER - An Afghan immigrant was on the verge of unleashing a terrorist attack on New York City on the Sept. 11 anniversary but was scared off after drawing suspicion from police, prosecutors said Friday as they provided new details about how far along the plot was.

Najibullah Zazi, 24, was stopped by police on Sept. 10 as he entered the city, and he dropped his plans for an attack once he realized that law enforcement was onto him.

Zazi was sent to New York on Friday by federal marshals to face charges of conspiracy to use weapons of mass destruction in a plot law enforcement has said was focused on blowing up commuter trains.

Note: This made me extremely happy I had included "all the terrorists in the world" on my G&O list!!

SUSPECTED CARTEL HIT MEN ARRESTED

MEXICO CITY, Mexico (CNN) - Police in Ciudad Juarez, Mexico, arrested five suspected drug-cartel gunmen they blame for at least 45 killings, including 28 patients fatally shot at two drug rehabilitation centers, officials said Sunday.

A spokesman for a joint police-military operation in the border city said that the men, arrested on Friday, identified themselves as hit men for the Sinaloa drug cartel, the official news agency Notimex reported.

Enrique Torres, spokesman for the joint operation, said the men admitted to authorities that they were behind the killings in shootings at Vida Rehabilitation Center, where 10 people died, and El Aliviane rehab center, where 18 people were killed, Notimex said. They admitted to at least 45 killings in total, the agency reported.

Note: It certainly gives me great pleasure to add this article. Josefina, this is just the beginning!! We're on it!!

COMMENTS & IDEAS:

Prisons

Phyllis Martin has asked that we add "***all the world's prisons, prisoners, personnel and their locations***" (Prison Group) to the C&L list. She had watched a TV program about the horrors that go on in prisons. I think this is a great idea because I believe prisons are pretty much ignored. It seems to be the norm to not want to think about prisons and the prisoners, but yet they are a part of us too and they need all the help they can get.

Animals

With all the news about Michael Vick being released from prison I began thinking. It would be great to add "***all the people who mistreat animals, the animals, and the locations where the mistreatment happened/is happening***" to our C&L List. Maybe we can help stop some of this. Even one animal saved would make it well worth it.
